

Process Certificate for Asbestos Removal

Certificate holder		
MASON Holding B.V. Vijfhuizerdijk 110 2141 BD Vijfhuizen The Netherlands Phone: 023-5581937	E-mail: kam@koole.eu Contact: D. Wijngaard Chamber of Commerce registration: 334111630	
Declaration of issue		
This process certificate has been issued by TÜV NORD Nederland on the basis of the area-specific certification standard 'Process Certificates for Asbestos Inventory and Asbestos Removal' referred to in articles 4.26 of the Working Conditions Regulation, in accordance with the current certification regulations of TÜV NORD Nederland. TÜV NORD Nederland declares that there is justified confidence that the process of: 1) removing asbestos or asbestos-containing products, classified as risk class 2 or 2A; and 2) clean-up of asbestos or asbestos-containing products, classified as risk class 2 or 2A, which were released in consequence of an incident, will be performed in compliance with the requirements for asbestos removal of the area-specific certification standard 'Process Certificates for Asbestos Inventory and Asbestos Removal', established on September 11, 2024.  For TÜV NORD Nederland Mr. E.W.A.C. Franken Managing Director		
For the validity of this process certificate, please refer to the SCA Certificate Register at www.ascert.nl
